OBJECTIVE

Seeking a position as a full-stack web developer with focus on design and front-end development, within a company that encourages teamwork and workplace community.

SKILLS

- Web design with Python, CSS3, HTML5, JavaScript, and PHP.
- .NET Programming with C# and C++.
- Familiarity with Microsoft Office applications.
- Familiarity with Windows operating systems.
- Graphic design with Adobe Photoshop and Illustrator, GNU Image Manipulation Program, and Photopea.com.
- Video editing with DaVinci Resolve.
 - Communication and conflict resolution.
- I thrive in challenging and high-demand environments.
- Consistently able to teach myself complex skills on the fly as needed.

EXPERIENCE

PART-TIME KEYHOLDER / JOANN FABRICS & CRAFTS

March 2025 – June 2025

Worked in management during the hectic closing period of Joann Fabrics. Supervised and trained employees, handled large shipments, opened and closed the store, secured the premises, handled cash flow, and oversaw daily operations.

WEB DESIGNER BY COMMISSION

July 2015 – May 2018

Designed and coded (using CSS, HTML, and JavaScript) the front-end appearance of websites on the microblogging platform Tumblr.com based on the requests and specifications of clients.

VOLUNTEER RECEPTIONIST / THE DISABILITY NETWORK

March 2018 – March 2018

Greeted visitors, answered and forwarded calls, and provided information about the establishment. Maintained the reception area and kept it organized.

LIVE-IN NANNY / PATRICK & KACIE SORDYL

June 2014 – November 2014

Cared for one year old child throughout the day: maintaining his rest and meal schedules, tidying up after him, and monitoring his health and behavior.

EDUCATION

INFORMATION TECHNOLOGY – WEB DEVELOPER A.A.S

Mott Community College

Graduated May 2025 with high honors at a 3.7 GPA. Classes taken emphasize familiarity with HTML5, CSS3, JavaScript, PHP, and database design and use; introductory education in Python and in depth experience with .NET programming using C# and C++; graphic design, UI design, and UX design; PC and network maintenance; cybersecurity; and end user support.

ACTIVITIES

- Selected in Fall 2022 by campus administration to participate among top students in the National Society of Leadership and Success, training in peer-based leadership development teams and learning to set and achieve goals, receive and deliver coaching, manage time, and hold others accountable to commitments.
- Leadership positions in various online hobby groups off and on for eight years, where I have been tasked with organizing online events and activities as well as dealing with interpersonal conflict.
